Dearest Family,

My heart and my prayers go out to you, especially your dad and to you Casey. Your mom was an incredibly wonderful woman! She was my BFF on FB. Even though I never met her, I knew her, we had this heart to heart connection! I will miss her comments and her heartfelt sentiments. It is hard to reconcile what is in our hearts, the pain of not seeing and being with our loved one and the joy of knowing she is in eternal bliss, completely healed and in the presence of God. I pray that you continue to lean on our Heavenly Father for comfort and peace. That the love that you have for each other as family and that of friends will sustain you through this very difficult time.
With all my love and prayers,
Angie Moore
