“ Miss Barbara was a wonderful Southern Lady. I had the very special honor and privilege of partnering-in-service with her for almost 20 years. She made it a pleasure to go to work each day. She was truly respected by her co-workers and peers, the ultimate compliment. Miss Barbara was a wonderful human being. May God bless her and welcome her to Heaven.

“ Dear Barbara-you were one of those people who enriched the lives of so many and I don't think you realized that. You always had that beautiful smile on your face and no matter what you might be facing in your life you always had a positive attitude. We shared some good times and some bad times and I'll always remember your love and generous heart. Be at peace my friend and may the sun shine always upon your sweet face. Amen. Love you to the moon and back Barb. Joey

“ Barbara and I were friends since grade school. I will forever miss her and her sweet smile. She was a great friend and confidante. She always made you feel like you were the only one who mattered. Time spent with her in the past several months were sweet but painful. When we last hugged we both knew it would be our last. Precious memories are what we all take from our relationship with her. Rest in peace my sweet friend. You are now in the arms of our Saviour and with your sweet Lewis. All your family who have gone before you are there waiting.
