Sweet Jimmy seems so many years ago we were in Alegebra class together at DHHS and yet on the other hand it seems like yesterday. Go light Jimmy.

I worked with Jim at Allstate for ten years when I lived in Atlanta. He was a good friend. We enjoyed deer hunting. There are no words that can describe how sorry I am to learn of his passing. Please know that my thoughts and prayers are with Jim and the family.

My wife Judy and I wish to express our sincere condolences to the Luck family on the passing of my classmate Jimmy Luck. Jimmy and I lived in North Druid Woods along North Druid Hills Road in the 50's and 60's. We went through elementary school and high school together. Later on Jim and I and about a dozen other DHHS graduates went on to Georgia Tech. I last saw Jimmy and sat with him at dinner at the DHHS event at PDK airport in June 2017. I was not athletic, but Jim certainly was, and I recall how good he was at football during recess on the playground and then later playing on the football teams at DHHS and Ga Tech. Jim helped produce all those wonderful memories of football triumphs on so many Friday nights in high school and Saturdays in college. Those were great memories. Al and Judy Clary

Jim, my 'ol buddy from DHHS and Explorer Post days !!! It was a remarkable time in our young lives. I will always remember hiking the Appalachian Trail in Georgia with you, and our Explorer Post campouts at Cloudland Canyon. While our paths took us different directions, I have always had fond memories of you and our mutual buddies. God Bless you and your family. You are missed. / John and Nancy Nichols, Hot Springs, Arkansas

I met Jim sometime after I joined Allstate/Northbrook in 1983. Since then we communicated and met regularly and became very good friends. Last over 35 years Jim never missed my birthdays and call me to wish. His birthday is 12 days after mine on March 9. Jim was intelligent, caring, loving and always willing to help others. I am going to miss one of my best friend. Jim, you are with God in good hands. Rest In Peace my friend. Love you.

Spent years working with Jim within the Northbrook Loss Control Department and accompanying him on many deer hunting trips. He was such a great person to be around, always with a positive attitude and willingness to go the extra mile. Not many like him anymore and he will be surely missed. God Speed my friend!
