

## Carol Britt Beverly

November 9, 1952 - April 1, 2021

Carol Nadine Britt Beverly went home to be with Jesus on Thursday morning, April 1st, 2021. She passed quietly alongside me and my husband, Jason and Gena Turner.

My mother was born November 9, 1952 to Artis and Jimmie Britt. She spent her life treasuring her family. If possible, my mother would have had a family reunion everyday just to be with those she loved. I have no doubt that she is spending her time in heaven just as she would have on earth, celebrating and rejoicing with those that had left before her.

I truly wish I could name all of the people that touched her life as well as those that were touched by her kindness and love, but the list is too long. I will say that a day did not go by when she didn't ask about her grandchildren and their spouses: Lee and Erica, Jesie and Joseph and Robert and Darla as well as her great-grandchildren: Beverly, Annabelle and Maverick, who gave her an abundance of joy even on the days that she struggled through illness.

My mother said many times "When I am gone, don't be sad. I will be healed and no longer in pain, I will always be with you and will see you again, one day, in heaven."

My mother was a beautiful example of the kind of person I hope to always be. She was my mom, my hero, my best friend.

“ I am so sorry to find out about your mom passing away. We just had our 50 year class reunion and no one knew that she had passed away. She was a friend to everyone at school. We didn't know she was sick. Your mom makes 20 from our class we have lost. Prayers with you and your family. Marcia Adams Elkins

“ Gena, You don't know me but I just read your tribute to you mom. It is beautiful and the things you said remind me so much of my mom who died some 25 years ago but is still missed greatly. My prayers are with you and your family as you walk through these days of adjusting to life without mom. What she said is so very true!!! She is perfectly healed and that is a time of rejoicing even as you miss her.  
Prayers to our Savior for you and your family,  
Harriet Harrison
