o the Wheeler family. I just found out about Mrs. Wheelers death in the NCN newsletter that I get. I'm very sorry for your lose. She was a wonderful lady and I still today am reminded of the times that I would sneak into their car after church when I was little and my parents were wondering where I was.I remember our visits to your home and think of all of you often. May God continue to bless you at this time.##imported-begin##Lynda (Shaw) Kinney##imported-end##

Dawn, we are very sorry to hear of your Mom's passing. However, it is time to celebrate her life and all of the joy and love she has provided her family. Also, know that she is free of pain and illness and most importantly, she is visiting with all of her family and friends that have gone before her. She will be looking down to guide all of you throughout your lives from here forward. Love, Jackie and Keith##imported-begin##Keith & Jackie Howey##imported-end##
