AW

One year ago today I lost the most amazing, caring, loving, high spirited brother that any girl would be lucky to have! I was so blessed and so happy to have and call Bobby my big brother. Bobby and his family came into my life when I was 12 and I tried so hard to stay in his life and keep constant contact with him,but some how a couple of years ago we lost contact and today to the date I found out he had passed away. I am heart broken, I never got to say good bye, I never got to tell him how much I loved him, and how grateful I was that he was my brother. No more suffering, no more pain. I love you Big Brother.
