“ I was so sorry to hear of Jim's passing. We were neighbors a long time ago in Snellville.

He and his wife Ann were such nice people and we enjoyed several years living across from them.

Our thoughts and prayers go to Ann, Elizabeth, Jimmy and Alice.

“ So sorry to hear of Jim's passing. He was a such a great guy. Jim (Pops) was a fraternity brother of mine long ago at MTSU. I have so many memories of him and his humorous, uplifting spirit. He was a pleasure to be around; and,he always had great stories to tell. He will surely be missed.

“ Dr. Fisher was a great man and teacher at Shorter College. He was always smiling and had many funny and interesting facts and stories to share. He taught some classes that I attended.

“ Glenda and I are SO sorry. I loved "Pops". We started calling him "Pop's" in college since he lived in the dorm at Middle Tennessee State University with a bunch of 18-20 year olds when he was working on his doctorate. He introduced my wife Glenda and I and without him who knows if that would have ever happened. We were there when he started dating Ann. Pops even became a proud member of Kappa Alpha Order at MTSU and was loved by all of his brothers. I am so sad. Once you met Pops he was a friend for life. Condolences to the beautiful family and the legacy he left behind.

“ Like several of the previous commenters, I was a Kappa Alpha brother of Jim's at MTSU. Since I had gone into the Army for a couple of years and returned to MTSU, Jim and I were closer in age to each other than to some of the younger members. He was an intelligent, well-centered, and Christian man.. We lived in the fraternity house together, I think his final semester. I regret that I did not have the opportunity to reconnect with Jim in this life, but I look for to our reuniting on the other side! My love and sympathy go to his family.
