“ I knew Jean as my sister-in-law, Kacey's, mother and grandmother to my nephews. Over the years at countless little league baseball games and other events I also got to know Jean as truly one of the kindest spirits I'd ever met. I will always remember and miss her warmth and kindness and big warm smile and contagious laughter. Jean had such a loving spirit and in turn she was so loved.

We are so sorry for your loss. We love you

“ Jean was truly a special woman - so vibrant and beautiful. She was often out at various parks walking her dogs or volunteering at our local school. She even helped clean our new house as we were trying to move with 18 month old twins! She was such a giving person. To see her life take such a drastic change with this illness has been so unbelievably heart wrenching. To watch how this family came together and took care of her so selflessly is impressive. The love that Tony and Jean shared was so evident in stories I've heard over the years and it was one of a kind. Tony will have beautiful memories of her to cherish for a lifetime! Jean loved her children so much and her daughters will continue to make her proud in the years to come. I have no doubt Jean will be with each of them smiling from above.

My heart hurts for Tony, Kacey and Keri as they must find a way to live without her now - gone but never forgotten! Rest in peace sweet Jean – I thank God your suffering has come to an end and pray this family will take some comfort in that over the coming weeks. I look forward to celebrating all the wonderful things about Jean with her family on Saturday!

“ If you ever got to meet Mama Jean even just once, then you have been blessed beyond measure. The trials she's been through, the silent struggles... and never once would you see that in her eyes or her smile. Pure joy, and love for life is what you would see. Because she knew her God was bigger than any problem she could face. As a mom, I'm inspired by her love for her children, grand children and fur babies. As a wife I'm inspired by her and Tony's love. Everyone should be able to experience their kind of love, just once. It's incredible!! As a Christian, I will forever remember her faith! As a human, I will forever be inspired to be better because of her. Mama Jean you and your kind hearted, sassy self will be forever missed but never ever forgotten. Your legacy lives on in your girls, much love, forever!

“ I will always think of Jean as someone with a truly joyous spirit. She loved to laugh! She was never too busy to stop and smell the roses and spent her time on what was important-- supporting others, playing with her grandchildren, enjoying time with her husband and family. She loved dogs, nature, and children. I am so grateful for her friendship and for the wonderful daughters she raised. One of them, Kacey, is my daughter-in-law and it's a wonderful tribute to Jean that Kacey embodies many of the same qualities that made her mother so special. Jean was so important to our entire family and will be missed by everyone every day.

“ My Dearest Mama Jean, my sweetie pie honey bunch! I will always remember our laughs and walks down memory lane when I met you in the library at K.E.Taylor ES. Those enjoyable moments transferred to the family room of you and Mr Tony's warm and peaceful home as you welcomed my babies and me with the warmest hospitality, and genuine kinship. Your perceptions of motherhood, life, and keeping your joy in the midst of it all are lessons I will glean from for the rest of my life. Your kind, hilarious, and loving spirit reminds me so much of my mom, and for that, I thank God for blessing me with you. I look forward to the laughs and memories of you that Kacey and I will share as we continue to strive to be the Women of Faith, Hope, Strength, and mostly LOVE that you were to us! Rest Mama Jean Rest!  
Love you More!

“ Jean was my best friend for 25 years or so. We faithfully walked together every week, which gave us a lot of visit time. We shared family news, laughter, joys, tears, sorrows and prayers. We went on trips together, worked puzzles together, and shared devotion time with each other. Jean and I had a special bond, and we knew that we were always there for each other. Jean was a fun, kind, loving person and I will always hold her in my heart. God has a beautiful angel with him now. She will be deeply missed.

“ I have many wonderful memories of Jean (aka Mom #2), as I called her. She was my mother in law for 12 years and all the times spent with her will be cherished forever. Her laugh was infectious, her caring & loving nature was always present...not just to our family, but everyone she encountered on a daily basis. Jean brought out the happiness in everybody. What a great mom and Nana she was! I will always remember everything she did for my 2 boys. God has a plan for everyone and Jean was needed in heaven. I know she is looking upon all of us with a big smile on her face and is letting us know she is happy! Jean will be greatly missed and I will continue that everyone she touched finds the strength to get through this process and remember the great memories that were shared by all.

“ I only knew Jean for 3 years but in that time I saw kindness and love not only from her but for her. I know how amazing a person was because of her family and friends lives that she touched. Especially her daughter Kacey who I am blessed to call my fiancé. I see the kindness in her eyes that I know came from her mother.

“ What a huge loss for this family. Jean was such a bright light to the world. She had a such a positive attitude even up until the end. It was so much fun having afternoon FaceTime calls with Jean and Kacey. Telling her the crazy stories about my life, and to hear her laugh and see her infectious smile. Heaven gained such a beautiful angel. Rest peacefully and pain free Mama Jean. we will remember you always and you perfect balance of Stubborn with a smile

Lauren Jones - February 06, 2020 at 05:31 PM

“ Lauren, you never failed at putting a smile on her face. She loved talking to you and hearing all the inappropriate things you said to make her laugh. Thank you for your friendship and the love you have for my sweet mama.

“ I met Mrs. Jean when I was 9 years old joining Team SAFE. She was reassuring and kind. From practice every Tuesday and Thursday in the Spring, assisting at the petting zoo, and assisting her in camp counseling at Rock Eagle, my life was made brighter over the years by her love and dedication to us. She is loved and will never be forgotten by all the 4-H children she cared for.

“ I count myself very lucky to meet Jean at such an early stage of my life for one simple reason: She showed me that there were truly kind people out in the world.

My time with Jean started when I was very young and incredibly awkward through 4-H and every memory I have of her is soaked in warmth and kindness. She was exactly the kind of person I strive to be every day, but I doubt I'll ever be as successful as she was.

While my life has taken me away from a lot of the 4-H folk, it shouldn't be a surprise to anyone who knows me from that time that I think of that period of my life as incredibly special specifically BECAUSE of Jean. I will carry a lot of regret for not actively seeking her out so she could meet my wife.

To the family, I share sentiment that I'm sorry for your loss, but thank God you had the time you had with her. A truly special person in every sense of the world.

I would be a much more bitter and cynical man without having spent time with Jean Gable, and that's a debt I'll never be able to repay.

“ Jean was my friend. She and I worked for many years in Gwinnett 4-H program. She was my right hand in setting up the 4-H Petting Zoo. I always teased Jean about farm equipment we would use. She would always want to know if we could get an "electric" version of the tools to make it easier. She and I shared programs for the youth, set ups for displays, trips with the kids, and most of all each others friendship. She loved all the kids. Her BB kids were so special to her. They respected her and loved her very much. She had faith in all of them. She always saw things in God's eyes and made you feel so much better. I cried each time I would visit with Jean and leave. She always loved to walk and now she is free with God to take hands with her son and others and run and play. We all are excited for her to be free from all pain and suffering. Tony was her rock and he took good care of Jean. God knows the good job he did with her. May God wrap his arms around each of her family not to grief but to rejoice that she is in heaven having a wonderful time. I loved you as my friend and coworker.

“ Jean Gable was like a second Mother to me. She taught me alot of good values and morals growing up whenever I came over to visit. She had a very beautiful loving soul and will be dearly missed. Rest in peace Mrs. Gable you will be forever in my heart and I will never forget you.

“ God granted us the privilege of knowing Ms. Jean- a beautiful person inside and out. She was blessed to have an amazing husband that selflessly gave of himself every hour of everyday and a family that loved and cared for her SO much!! Heaven gained an amazing angel!

“ We too had the honor of knowing Jean. A precious woman of God who loved with her whole heart! She served her family, friends and 12 Stone church well! Please take comfort in knowing she is now healed and whole in heaven and will wait for her precious family there. She can now rest peacefully. We will love and honor her this Saturday for a life well lived! And a race well run!

“ I was blessed to have worked along side Jean for many years at Gwinnett 4-H. We often said we shared a brain. We must have shared a heart too because mine feels like only a half with her gone. We shared good times, bad times, better times and worse times. She is gone way too early from this world, but Heaven is an even better place with her in it.

**Janice Rogers** - February 04, 2020 at 03:23 PM

“ I was blessed to have known Jean, many years ago. We worked together for a short time at the Extension Service. Even though it was a short time, she made an impact on me. No matter what her trials were in life, she always found something positive. She had a presence about her, a welcoming, kind, sweet, loving soul, that had a contagious smile. She was a gem of a person. Heaven is even more beautiful now, with her in it.

“ I was sad when I learned of your loss and Jean's struggles just yesterday. I knew Jean when my children were growing up and participating in many 4-H activities. She was absolutely the kindest and sweetest...always smiling and willing to help...always sharing a positive and encouraging word. She was such a great asset to that program. I count it a privilege to have met her and know just a little about her. What a blessing it is to read how she influenced and blessed so many lives...and a reminder and encouragement to strive to do the same since time is short here, even at its best. May God comfort each one of you.
