

Jennifer M. Bennett

November 4, 1972 - April 9, 2021

Jennifer Bennett passed away Friday, April 9, 2021 after a courageous battle with colon cancer. Jennifer was born in Albany, Georgia to Thomas (Monk) and Sheila May. After moving to Lilburn in 1985, Jennifer graduated from Shiloh High School in 1991. She went on to study Dental Hygiene at Clayton State University. Jennifer genuinely loved her profession and she worked for over 20 years at Loganville Family Dentistry with Dr. Ponnie Poisal. She and her husband Michael married on October 25, 1997. The light of her life, Joshua, was born on April 4, 2003.

Jennifer is survived by her husband Michael and son Joshua of Monroe, her parents Thomas and Sheila May of Winder, her sisters Natalie May of Winder and Ashley and Peren Ford of Suwanee, her Mother-In-Law Nell Bennett of Loganville, and many aunts, uncles, and cousins.

Jennifer loved life and everything it had to offer. She loved her son, her husband and her family very much. She enjoyed being a Dental Hygienist and loved all of her patients. She had a knack for all things crafty and she often shared her crafting gifts with those she loved, sending them handmade cards and wreaths.

Jennifer loved children. She was Fairy Godmother to many little kids and even some adults. She loved making these children special goody bags to celebrate each little holiday. She often put her wonderful crafting skills to use when putting together these sweet gifts.

One of Jennifer's favorite things was Disney. She loved how magical Disney made her feel. Thanks to her sisters, Ashley, Natalie, and many others who donated to the cause, Jennifer was able to go on her ultimate dream Disney vacation. An epic 10 day stay at the Grand Floridian with an electric wheelchair which allowed her to scoot all over each of the parks. If you asked Jennifer what her favorite park was, the answer would be Magic Kingdom followed by an in depth explanation of why she enjoyed each of the other parks as well. She often referred to it as her "happy place" and she could sit and look at the

castle for hours.

Jennifer had the most positive attitude and met the world with kindness, even when most people wouldn't. She fought cancer with such dignity and grace that those who did not know her would never have known that she was sick.

She brought light into the lives of so many people. She will be dearly missed by all who were fortunate to know her, but her strength, courage, and positivity will be remembered forever.

A Celebration of Life will be held at 2:00 PM on Saturday, April 24, 2021 at St. Anna's Catholic Church in Monroe with limited seating for family and friends due to Covid. Father Daniel R. “ Our family is so saddened to learn of Jennifer’s passing! My son, Chandler, actually called me from college to tell me about “Miss Jennifer” passing away. We were so blessed to find her at Dr. Poisal’s office and she is the only person who Chandler would ever let clean his teeth! She always had a smile or a funny story and even when Chandler got taller than her, she joked that it “wasn’t hard to be taller than Miss Jennifer so don’t get any smart ideas, Mr!” She promised us that she’d check in “every so often” with the orthodontist next door to make sure they were keeping his smile bright and beautiful and he never missed a chance to go hug her neck when he could! She was such a shining example of God’s light and love and I have no doubt that when she entered Heaven, she was given her wings and a set of Golden Mickey Mouse ears! Well done thy good and faithful servant! Our prayers are with her family and friends!
