“ Dad, what’s to say that you don’t already know? Nothing left unsaid between us. There was only love. I will forever miss you until I see you again. Thank you for loving us only second to Jesus. My heart is broken but I’m leaning into Christ like you taught and showed us. Like I’ve told you, Jesus is my Savior and you are my hero. I’ll see you very soon, dad. I love you so much.

“ I was very sorry to hear our High School friend has passed. Joseph Graduated from Loganville High School with us on June 4th, 1964 and unfortunately I had not seen him since! I left for the U.S. Navy on July 28th that year and spent 30 Years before retiring near St. Augustine, Florida. I'll always remember Joseph for being very quiet, respectful and courteous to everyone. He was a very nice person, and I knew he would be loved by many. God Bless all of the Family.

“ I have the best Papa in the whole world. He always talked to me (and all us grandkids) about Jesus and family. I can’t wait until we can all see him again in heaven.. I know he’s watching over us everyday. We love and miss you more than anything Papa.. I love you so much.

“ I have known Joe & marie my whole life , from the earliest i can remember is joe & marie are coming over or what time is joe & marie expecting us to be there ,For 51 years Joe & Marie has been a part of my life....I actually never took it for granted , because when your around GOOD people you understand what im talking about

.Joe & Marie are very special people & as a young kid I quickly figured that out .One thing is important to me , because when My dad got ill he was there every day , i would wake up to either joe sitting in the room with him or Ruenell * i'm sure i just spelled the name wrong ,but you know whom i'm talking about . they were always there ...Period ,well it didn't go unrecognized by me ,,I'm glad i got to spend time with him recently , we left nothing unsaid and i do mean NOTHING ...he has always been like a father to me & Juanita .im glad for my time with him .I'm glad to have him as my uncle ,but he was always more than that .I honestly can't describe what he meant to me ...but while he got sick i told him what he meant ...every time ...some people just say things ...like i love you and bye ..Well that's not me.when i told him i love him i meant it . when i see Marie ..i see Joe , when i hear Anthony not holding back what he thinks i see & hear Joe ,,when i see Tanya i see the sweet side of joe .im glad he is finally home and with my dad

“ There is no way I can pick one memory to share... I can't even begin to put into words how much love I have for Joe Knight. I have so many great memories over the years of being a part of this family being Joe's second "son" :) That's how he treated me and I will always cherish our relationship. He knows how I felt about him... our family will hold on to the memories and I can't wait to see you again soon. I promise you I will do the best I can to help take care of Marie, Tanya, the "kiddies" and the rest of the family. Give Jesus a hug for me :) I love you.

“ I worked with Joe Knight at Scientific Atlanta, Electronic Assembly Services AND ISG Thermal Systems (and I use the term "worked" very loosely). We always had a lot of fun. Joe always was work attentive with a little serious on the side but given the reins or opening for a laugh, he was all in. He was always "all in" when it came to his religious beliefs and how to treat people. We used to have lots of discussions on this as well as other matters (of which we usually agreed). While I have not seen Joe for some time, to my shame, I will certainly miss him forever as he was and IS a good guy. I pray for his family, especially Marie and the children as certainly this is a painful event and his absence will be difficult, I'm sure. Seems like of late, we are seeing the good ones leave us way to soon. Joe Knight was all of that good. See you again, buddy....

“ Connie and I have fond memories of Joe, Willie and others while we all worked together at the Lawrenceville Church of God. Joe had a good sense of humor and was always helpful. I am sorry for his loss. I don't know if we will be able to be at the funeral on Saturday but we want t let the family know that Joe was a wonderful man and Christian. He will be missed.

“ So many good memories of Joe growing up. Joe will surely be missed but while he was here in that brief time, he did the Lord's work, he loved his family and his family loved him. He is truly home now and what a celebration he is having! He is whole and in no pain.
