“ Gail, Danny and Wanda, my heart goes out to you at the death of your Mom. She loved you and the extended family so much. I was in a Sunday School Class with Minnie and a few other women for a long time. We were very close and I can't begin to tell you how much we will miss her.

“ Gail, Wanda, and Danny, I am so sorry for the loss of your precious mom. She was a beautiful person inside and out from what I know of her through Gail. You all took good care of her right up until the end. I know she loved her family dearly always putting her family and others first.

My prayer for you is that God will provide you with peace and comfort in the days to come. That inexplicable peace which surpasses all understanding that only God Himself can provide.

Ms. Minnie! Your life undoubtedly touched many lives. Thank you for the testimony of your life which leaves no doubt that you are with your husband and Jesus. Rest now!

“ Gail, I am saddened at the loss of your beautiful mom! We only get one set of parents in life on this journey. The mind understands the changes we experience in life but how do you explain it to the heart. I pray that God will comfort you in the days, weeks, months and years to come as he did for me and my family. I know this hurts but let the memories of her be the strength on tough days. The thorns have been removed and the pain is gone. Your queen wears the heavenly crown now; you were blessed to have her as your mom!

With Deepest Sympathy,
