“ I am so sorry for your loss. The loss of a loved one is so heartbreaking. Despite the conditions that we are surrounded by, many desire to live on and on and on. That is how our loving father iin the heavens made us. Ecclesiaste 3:11, tell us that he has put eternity into our minds. That means that people desire to live on and on without dying. There is hope. Isaiah 33:24, and 25:8, tell us that the God of love will bring an end to sickness and death. Jesus Christ while here onn earth spoke about the resurrection hope. That means that we will have the opportunity to see our loved ones again. Where will we live when that takes place? Please read Psalms 37:10,11,29, and 72:7,8. to receive the answer. For further comfort and assured hope please contact the local Kingdom Hall of Jehovah's Witnesses.
