“Daddy,  
*I love you and want to thank you for teaching me how to be a man. You lead by example my whole life. Work hard for what you got and don't ask anyone for anything. We were blessed to be able to call you Dad. Gods will doesn't always equal up to our plans so until we meet on the other side just know I love you. Give the rest of the family a hug for me especially Granny and Papa.*
