“ *So many happy memories of Aunt Ada. My first memory is when Little Bobbie was here.*

I remember how sweet and tender your Mom cared for him. Joyful to know she is with him again.

A very fun memory of the trip to California as y'all invited Grandma Harper and myself along. I still think of that trip and Aunt Ada when I eat an egg sandwich. She would cook egg sandwiches for us each morning in our motel room.

Gentle and kind spirit with a sweet genuine smile. Because I came down with Cancer and cannot travel as much, I have missed being able to see y'all in such a long time.

Our love and prayers are with Joanne, Jackie and the family in these days.

“ SWEET, SWEET Ms. Ada!! Our family has always loved her, hubby Mr. Jack , Joanne and Jackie (Jacket)! I can totally remember as a child, Them coming over to our Pawpaw Charlie & Nanny Lois's house really for our first juicing experience! There is no way that I can ever eat a carrot without thinking of Me Jack and his 🥕 "Carrot Juice"! 🥕

Those were some fun times, awesome memories, we definitely had with the friendship of our families plus all the great memories held from Bethesda & Gloster.

My sister Julie, Mom and I always enjoyed stopping by for a visit with Ms. Ada when she moved into our neighborhood ,she became a fixture we we always looked up to see Ada & her house as we were driving into our neighborhood!!
