“ *My dearest Adam, it's been only 12 weeks since i got to hold you in my arms, kiss that beautiful sweet face, see you when i first get up in the morning, last thing i see when i go to bed each night. I try so hard to be as brave and strong as you were, but I find it so painful and my heart feels like its crushing tighter each day. I know u never would've left me if you thought i was going to hurt this bad, that's just how unselfish you were. you would have held on and suffered and endured the pain for me. Just like when you stopped me from calling Rae Rae, bc you didn't want her to be upset and sad having to good bye. So if you could just keep reminding me of that, Maybe I can get a little stronger with each new day. I will try not to dwell on the pain u endured ,but only think of the strength goodness, kindness, and wisdom you gained because of it. I love and miss you with each beat of my heart.*

I remember when adam tripped over your foot at his birthday party and broke his arm.u felt so bad.u cried and was so upset,but if i remember correctly, he didn't shed a tear.we probably wouldn't even had known he broke it, bc he never complained, except we heard it snap. I think the only reason he was upset bc u were.

“ My heart aches for you. As we went to Thelma's on Saturday, I remembered the times I had with Adam. I remember him coming to get me when it was time to put the numbers on the board at Walkersville Church, Getting Gary by the hand to ring the bell, being at our house and having every light turned on and countless other times. The one time that stands out most was right after Rick died, Adam came to ME and wanted me to rock him. That is the only time he allowed me to do that Never before and never after that did he let me rock him but for some reason that day he wanted me. I will always treasure that memory. You and David have been in my thoughts and prayers. We all know that Adam is with his Daddy, Hollis, and Wilma everybody walking and enjoying those streets of gold. He is no longer suffering. Sending much Love, Prayers, and Friendship, Trisha

“ As i sit here sifting through countless photos,all the memories just flood my heart. All the precious moments i was blessed to have with you.i was tenderly reminded of the short time Daddy and paw paw got to spend with you.so as much as my heart is shattered,i need to try and not be selfish.i would much rather cherish the thoughts of you being healthy, running,talking, and most of all,being able to enjoy the sights of heaven with your new eyes.i know that was probably the most difficult of all your years,but like the trooper you are,u never let it show or complained.i love you with every beat of my heart.i want to thank you for your final gift in allowing me to be by your side as you took your final journey from this earth to heaven. i love you Adam and i cherish each and every memory you have etched into my heart and soul.
