“ Adam, its been a long time. Not a day goes by that I dont think about you. We were so young. You were young. Its been 11 years and I wish you were still here. Still vibrant, fun loving, creative... I hope your family is well. I hope that you still watch over all of us. Even though the memories fade, they dont disappear all together. The pain is still there. We are all strong and we all move forward, but the thought of you still holds us back a little in time. Back to thinking "what could I have done" "I should have stayed in contact when I moved away" "why didnt I see the signs" but we were all so young, we didnt understand and you hid your pain so well. Im sorry. I miss you. You were and still are loved and will always be remembered as an amazing dancer and friend.

“ Adam, I always thought of you as the stronger kid, the popular kid, the best guy dancer. Now, you're gone. On Friday, we began to get along for the first time. We became friends. I'll miss you, man. Rest in peace. -Kevin##imported-begin##Kevin C.##imported-end##

“ I'm sorry I couldn't be there, but Ozzy Isbell and Michael Deak were there, they are two of my boys. I didn't let my youngest come I thought he was a little too young. And I didn't come because I wasn't strong enough I have to find closer in my own way, Ozzy and Michael are a little stronger than me. I thank you for allowing them to attend so they could have closer. Adam will be missed dearly throughout the community. If there's anything you need or anything I can do for you and the family or maybe if you just want to talk you can notify me at littlehispaniclady @yahoo.com or you are always free to call me at 678-362-0042 our address is 665 hwy 78 Loganville ga 30052, or my p.o. box address is p.o. box 1191 Loganville ga 30052 again I'm so sorry for your loss. “ Dear Lisa and Family,
There are no words fit to say at an unthinkable time like this. No mother should EVER have to bury her child. I know a piece of you went with Adam, as did a piece of all of us. I will miss seeing him smile and wave at me as I drive through the neighborhood. Bubba and Cameron thoguht he was the neatest kid-playing basketball, skating, dancing and cutting up.... You must pull together and not let Adam's departure be in vain. We will keep you in our prayers and thoughts everyday. God Bless your family and keep Adam alive in the hearts of those who love him.##imported-begin##Angie Browning##imported-end##

“ I am so sorry about the death of your son, Adam. I wish I could find words that would relieve your pain, and we can only imagine what they are and the heartbreak you and your family must feel. Losing a child is one of the saddest life experiences possible, and words of true comfort are difficult to find. Some comfort can come from knowing, how many lives he touched. My daughter, Ashley, knew your son from school. She will remember the smiles he created for her and others....a smile for the heart ...are like memories. They are forever. Your family will be in my thoughts and prayers. Please know that there are many like me who are thinking of your family during this difficult time.

With Deep Sympathy,

Jennifer Marks

“ *We are so very sorry for your lost. Ozzy Michael and Seth we're good friends with Adam. They played alot of football together in the neighborhood. Ozzy and Adam had been friends for years, I've watched your son grow up, along with my boys and Matt and Nick Gragin. He was a good boy He use to come down to our house alot with Matt and Nick he was always a joy to have around and in our home. All the boys were very close not myself nor my children will ever forget him. There's one occasion that sticks out in my head and that was the first day I had ever meet him, He thought it was so cool that Ozzy and Michael's mom was so short, he had told me look I'm almost as tall as an adult. I've never been almost as big as a real adult. He touched me that day, he thought that was the coolest thing to be almost as big as me. Please know we will never forget him and we will carry his memory with us forever. I'm sorry for your lost and if there's anything you need please feel free to contact me at my e-mail address or call me at 678-362-0042. Our thoughts and prayers are with you and your family. “ Lisa,
I don't know what to say, I can not even begun to understand what you and your family must be experiencing.
All I can share with you today is a mothers heart and the pain I feel for your loss. I do believe that if Adam loved dancing, I know that on the 4th he began dancing in heaven with the angels.
I pray that you find comfort in knowing this.
Please let me know if htere is anything I can do for you with deepest sympathy
