“ *Sometimes her words were short and few but they were always wise, they were always true. She was so special, she was one of a kind and I know shes somewhere up above looking down on us. She gave me a part of my dad that no one could give me. She gave me pictures and told me stories... she shared a part of my dad with me and I can carry that forever.. not only him but her. Ill miss the long talks her and I had. I miss her so much already. R.I.P grandma I love you!!!* ”

“ *Every year we would say our goodbyes when we saw each other, At Patricks wedding, ma made it special. After a slow dance with her, she said to me, if I die tomorrow, this is one of the happiest days of my life. Rest easy mom.....were all gonna catch up to each other again....Greg* ”
