“ You lived a long and healthy life. I had the honor of being your main caregiver in the last years of your life and I would not trade it for anything. You knew you could always count on me and I could count on you.

*I wish I could have seen your face when John Clark met you and led you to heaven. I am a better person because I had the privilage of knowing you. I love you and will miss you, but I know you are happy and healthy where you are. Enjoy eternity and I will see you someday when you come to guide me to heaven with you.##imported-begin##Melissa Clark##imported-end##*
