“ *Before you were born, I could not begin to imagine the joy you would bring to my life. I'm now constantly reminded of things you said as a child that were hilarious and beyond your years. I thank God for all the special memories we shared, and on the day of your passing, He gave me the opportunity to hug you and tell you I love you. I've always loved you beyond measure. While my heart aches continually, I believe it was God's Devine Order to give you rest from the pain and troubles of this world. I am comforted by the knowledge that we will be united again. What Amazing Grace! I love you and miss you everyday. Grandma Patricia*
