“ I am so sorry for your loss. John 11:25 says, Jesus says: "I am the resurrection and life. The one who exercises faith in me, even though he dies, will come to life". Yes soon many asleep in mankind's common grave will have the prospect of resuming life in a wonderful new world, free from all the present day cause of distress. Please find some comfort and strength from this and your memories.

“ I always thought Aunt Ahleen was a neat lady! I remember when Granny Phyllis and Grandpa Bob brought her with them to Wyoming to visit in the mid 90's. Her and I walked up to the Dairy Queen and bought blizzards. She told me stories when her, Granny Phyllis, and Elizabeth were kids. She'll be missed, but she was welcomed into Heaven by her family and is looking down on us now. Love you Becky!
