“*Albert and I were teammates on the Central Gwinnett basket teams from 1969 to 72 . He was quite a competitor and athlete with a warm heart and joy for life . We met again a few times over the years and I was so happy to learn of his many generous endeavors always thinking of those less fortunate . He was truly a strong and giving man who taught us to love one another and see the best in each other . I wish I could have stayed more closely in touch with my front court teammate . God bless your soul and family .*

“ Albert Mahaffey, the consummate golfer, is a larger than life beloved friend and confident. We met first on a golf outing to Myrtle Beach. He was then and continued to be impervious to negative thoughts or ideas, but filled us with humor, Joy and excitement. Our friend of many years ideally wanted everyone to experience the great life he lived. Golfing became his catalyst! He would show up at Trophy Club with a new iron for someone, a new pair of Foot Joys, wrong sized, but nonetheless beaming. The 19 hole lasted until the next tee time that could be in a week or a month. We would always pick up where we left off, recounting Snow’s strokes or Sarge’s approach shots, how bumpy the greens were. But always remarking, ‘we came to have a good time!’ And so we did. Pam, Alice, Rod and the rest of us, remember that in the not so distance future when you see someone on the first tee box pressing the Lord about His handicap, holding up the pace of play no worries it’s Albert, getting to the 19 th hole. Hit em straight, my friend .

“ I am saddened to read of Albert's passing. My condolences to his family and loved ones. I knew Albert from his high school days as a basketball teammate and friend at Central Gwinnett. Our paths only crossed once after high school... but back in the day... Albert always had a smile, was fun loving and was somewhat a joker. He was a key member of our 1970-71 undefeated B team and was instrumental in our 1971-72 basketball team winning 24 consecutive games. As a basketball player he was a solid player and hustler... man did he have a s-w-e-e-t jump shot! I hope Albert had a good life. Again, my heartfelt sympathy to his wife and family, and to Connie (she was in my class). Rest In Peace my friend... Joe Seagle
