“ I would also like to offer my condolences to your family. Al, too, was like a father to my sister and I. It didn't matter that our father was in our lives, my sister and I were just blessed with two dads. I have so many memories of Al that are going through my head, as I'm sure we all have. He is, not was, but is a great man. He has touched many lives and he'll never be forgotten. Just remember that he is no longer suffering and we will see him again one day. He's now in Heaven and he will meet Dasani (my daughter) and keep her in line until we all see on another again:) You are all in my prayers and call me if you need anything. “ On behalf of the Muehlbauer family, we send our deepest, heartfelt condolences to the family and friends of Albert Phillips. Al was more than a friend, he served as a father figure for me and my sister for most of our youth. His unselfish love has been a blessing to both of us and we will never forget his great spirit and generosity. May the Lord be your pillar and foundation during this time of loss and may you never forget how many lives he had a positive impact on, including my own. Albert Phillips we Love You and we know you are in a better place where we will one day meet again. Love Lakeisha & Family###imported-begin##Lakeisha Muehlbauer###imported-end##

“ *May God comfort and keep you trough the trying times that lay ahead. I am glad to know that My Uncle is now resting peacefully in Gods arms. Know that all things work out for the good of them whom LOVE the Lord. We are family no matter how many miles divide us, so with that let us all go to God in prayer for strength, peace and a new understanding of how his grace flows.*

*Be Blessed,
Love

“ I love you guys with all of my heart. Thank you for this - it touched me. I am sorry I couldn't be there in body but always in spirit. You are with me in prayer. Uncle always made me laugh - we had the same sense of humor. Also he was a good and loyal father & not many have that. God speed to him - he's there.....##imported-begin##Martha Stacker ##imported-end##
