“ Mom,

Just a few words to telll you I love you very much and I miss you more and more each day. They said time will heal but it's sure got to prove that. I hurt more now than I did last week. I just want to talk with you and tell you again I LOVE YOU. You were mom, my best friend and anything else I needed you for. You always listened and voiced your oponion whether I liked it or not. That was okay I'd get over it if I didn't like it I'd still love you more and more. I know your well and happy with grannie, granddaddy & Donald. See you one day and I'll be looking for you.

LOVE YOU SO MUCH

“ Hey Sister:
It's been three weeks now and the pain hasn't got much better. I want to tell you I love you with all my heart and soul, and you are missed so much not only from me but all of us. You see you did follow that dim light to a much brighter one. Now there is no pain or sorrow you are in a much better place. Will see you again some day.
Love you sister

“ Mom,

Just wanted to tell you I Love you and miss you. We had to let you go because you had suffered enough. We wanted you to be where you wanted to be for a while. I have the assurance that I will see you again one day. No more sorrow, no more suffering, no more heartaches. Just remember I LOVE YOU WITH ALL MY HEART.

LOVE
