“ Greg came into my life through our kids. Alex and Makayla. We became great friends, as I am sure Greg did with many. We spent a lot of time at his house and on Hunting Island. We had great memories built there together. I will never forget his humor and the great times we spent playing spades. Greg did great things for my family and countless others in his 67 years. He is one that this world should truly miss. Godspeed my friend. Until we meet again.

“ I have known Greg, a great friend of the Gwinnett Soccer Association (GSA), for a long time. His time, dedication, and sincere and passionate efforts in serving GSA as a Coach and a Commissioner have been instrumental in shaping up the future of youth soccer in our community.

May God rest his soul in peace and give comfort and strength to the family members in this very difficult time.
