“ Allen was someone that anyone would want to be around. If he was in your life, you were blessed. He could make you laugh, always...He was honest, smart, funny, and a super husband to Glenda. Robert and I will miss him.. We just wish we had had more time recently with him. Never take for granted that your friends will always be there...Life happens, and in a second they are gone....Our prayers are for you, Glenda, and for the family. Love,

Allen is one of the nicest guys that anyone could have the pleasure of knowing. I engaged with him in many conversations about a diverse number of topics and he always had deep insight into them. To say the least, he was a very detailed person! Prayers and celebration of his life are going to God in his honor.

Allen was one of the most inspirational and thoughtful people I have ever had the privilege of getting to know. I always looked forward to our next conversation when we crossed paths. He will be missed by the many he touched lives with. Sending my prayers, David Moseley
