“ *Allen was and is a lifelong friend. We had great times together as young men and stayed in touch as older adults. I will miss the times we spent talking about life and such, but most of all I will miss his stories of our childhood.*

“ I've know an Allen since we were in first grade together. I will always remember him as being one of the best friends a person can have. For twelve years we struggled with classwork, trying to stay out of trouble and just having a good time at LHS. Even though we haven't seen each other that much over the years, I always knew Allen would be there. Friend, may you rest in peace and you will be sorely missed. Debbie and family- our thoughts and prayers are with you at this time. Dean, Barbara, Jacob and Megan Thrasher
