“ Allen Allen Allen there is so much that comes to mind but the one thing that I will never forget is your kind gentle laugh... Lord knows I will miss that chuckle of yours. You never complained, just smiled all the time... such a refreshing conversation you were always good for and it never failed, you made me smile. I know God must have missed your laugh as much as we will have to now... since you are up there entertaining the angels my friend. Until I see you again, know you are missed but not forgotten.

Always,
Amber
