“ I'll forever be grateful God allowed our paths to cross. Words can't express all that is in my heart today, but to say thank you. Thank you for loving us and our babies and for being a friend to a young mom that just needed some encouragement. I love you!

“ *If I learned anything over the years it was that Mom did it her way. A planner, an organizer, great at keeping records but also great at providing lifelong lessons and memories. In life, it was her way, in her passing, she did it her way too.*

Mom was a great influence on our family especially Amanda and Katrina. This influence has touched those who knew her and those who didn't, through us. She leaves a huge hole in our lives and will be greatly missed in her community, especially her church.

It was difficult losing Dad and even more so for Mom . Moms are truly special. Tell Dad hey for us all.

Tell those you love, how much you love them, as if it were their last day. Someday, you will be right.

“ You held my hand to teach me how to walk. You cared for me when I was sick. You gave me a lot of advise on how to live my life... but you never taught me how to live without you. I miss you a little more today.

“ Allene was such a sweet lady. The first time I met her, I told her she looked like my husband's sister in law in Miami. In fact, some times I called her by her name. OLGA. (Olga went to Heaven a couple of years ago). I have been thinking, she will be missed a lot, because every Sunday, before the service, like a friendly butterfly, you could see her going from person to person saying "Hello!" She is so happy now!!!

“ One of the sweetest motherly figure ladies I be ever known. She always exuded wisdom and grace in all facets of life. Her life has positively affected and influenced people of her generation, my generation, and the generation behind me. I will genuinely miss your hugs at church even when the choir has begun singing

But when we were able to be together we were loved and enjoyed every moment. She will always be missed and loved very much and we send our love and Prayers to the rest of the family. For she is now in the presence oh God happier and healthier than ever before . Michael Meeks in family
