“ Dear Betty and family,
Please accept my deepest sympathy on your loss. Nothing I could say or do can change things, but I know in my experience of losing Bobby (and daily still missing him) that I try to remember how much pain he was in and realize that he is in a better place where he is in no pain and with other loved ones. My thoughts and prayers are with you.##imported-begin##Ms.Susan(Bobby) Wood##imported-end##
