“ *When I was growing up, I met this girl who soon became one of my closest friends. Even through the years of middle school and high school, I always remembered Allie. So many years of cheerleading, sleepovers, parties to dress up at, halloween. She taught me what youtube was. She introduced me to Lady Gaga. I'm pretty sure she introduced me to a horror movie when we were that young too. She made my childhood what it was. She was a good friend and always someone to laugh with. My mom and I had broken hearts hearing she passed away. I'm so grateful for her and the Shead family. We are so sorry you lost her. We send as much love and prayers for you. She will never ever be forgotten. We love you.*
