“ Dear Glenda and Wally and all of Alma's family -- we were so very sorry to hear of Alma's passing and want to extend our family's most profound sympathy to you all. Being your neighbors we saw your Mom many times and she always had a smile on her face and she always asked about our sons. We always enjoyed seeing her at the IHOP also and could again rely on her for a big smile no matter how long her work day may have been. If there is anything that our family can do for you please let us know. Alma was a very special lady and we will miss her very much. “ My husband and I got to know Alma at IHOP on Pleasant Hill Road. We were always welcomed by her "elf" smile and enjoyed her immensely beautiful spirit and playful personality. She will be missed greatly and our hearts go out to all of her family in this tragic incident. May God Bless Alma and her family.
