“ Dear Broach Family,
I am sorry to hear of the death of Mr. Alton Broach. I wish to extend my condolences. As this is a difficult time, I would like to share something from the Bible that I hope you will find comforting. At John 5:28,29 it says " Do not marvel at this for the time is coming in which all those in the memorial tombs will hear his (Jesus) voice and come out.." Yes, this is talking about a resurrection of those who have died. This resurrection hope is possible for Mr. Broach as well. Jehovah's word the Bible has many of such comforting promises that we can be sure will come true. Along with the Bible, may you have support and comfort from friends and family.

Sincerely,

Jameika##imported-begin##Jameika ##imported-end##

“ *To The Family and Friends of Alton Broach:*

First, I would like to send my condolences to each and every one of you. Although we are not acquainted with one another, we all know what it feels like to lose a loved one to the enemy death. I'm sure that some of you are overwhelmed with sadness and that only shows that death is unnatural. Death was never supposed to be a part of life.

Our Heavenly Father feels the pain that you are going through. He promises that the day is soon to come in which he will wipe the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5) He also promises that all those in the memorial tombs (graves) will hear his voice and come out. (John 5:28, 29)

Until his words are fulfilled may each of you continue to take comfort in him.##imported-begin##Lenette##imported-end##

“ Dear aunt dot, I would like for you to know my heart has the deepest sympathy for you in this tragic time of sorrow. I never wanted this time to come but since it has, he is now in peace in heaven above. You have his friendship, love, and more so you will be by him again. But as of now he is with his family above. I bet they was waiting at heavens gates just to show this beautiful angel named alton broach love. I bet he will always be by your side saying "my dear dot dont shed a tear, for in heaven im better here." Hes not in pain, he knows you love him, so with you in his heart he passed in peace.

The last day I seen alton, I walked through the front door and went to his room I shed a tear, and he lifted his hand as to say" I will be fine dear", he whispered he loved me while I held his hand. I kissed his forehead and then let go of his hand he was hot so i let dot know so she could comfort him as she has always done so. Dot your a strong woman you can make it through Im sorry for the loss I know he meant so much to you. Dont worry though dot he is better where he is so please try to be strong i know its hard not to shed tears but you can make it, he would want you to be strong just knowing you loved him so please try to carry on.

I love you aunt dot. Im new at this poetry stuff but I hope you like it. You will be in my prayers. As for randy, ray and the rest of the family Yall be strong for aunt dot this is when she needs you the most.##imported-begin##Danielle Eubanks##imported-end##

“ *Uncle Pooster, No one will ever know how much I will miss you and love you. You are very dear to my heart and I always thought you were a great man. You were always there for us and the 1st one there when daddy passed away and that meant a lot to me. You have always been able to make me smile no matter how sad I was. You will be greatly missed by me but I know now that you are resting with the LORD JESUS and that he is taking great care of you and you are no longer in any pain. Rest In Peace my dear uncle, I love you - Kathie###imported-begin###Kathie Moore###imported-end##*

“ *My Sweet Dot, Randy, and Family,*

Please know My heart feels your pain. Alton was such a wonderful man, who always was so sweet to me, and made me feel so very welcome in your home. I loved to hear him tell stories of driving a truck and we shared so many friends, as well as him knowing my own Father. I know its hard to let go, but he is not suffering now, and he walks with Jesus.

If I can do anything for any of you please let me know. You are all in my prayers.

With Love,
