“ *Alvenia was my sister who always took care of me whether I liked it or not! She was the most respected and loved person in our neighborhood. She did her best to bring me up in the church so that I would grow up with the same values as our family had. I and my family will miss the laughter and togetherness she brought to us her whole life. I know. She will be missed by all who knew her. Especially me.

“ *Aunt Alvenia passed quietly but made a big positive impact on the lives of many people and our family. She was wise, intelligent, honest, hard working, loving and giving of her time to benefit others. I always enjoyed my conversations with her and oftentimes we laughed together. My favorite times with her were spent at her beautiful house on Lake Francis in Lake Placid - talking, laughing and enjoying the dancing Sandhill Cranes in her large back yard. I have many happy memories of her as a child and an adult and I will miss her always. I wish her children, grandchildren and great grandchildren peace and comfort during this very difficult time. Sincerely, Grace Johns, niece*
