“ *Alvin,
My memories of you and Alma are not that many since we lived in Texas and didn't get to visit Atlanta often. I do remember being at your house one summer when I was about five, spending the night, and there must have been six of us little cousins sleeping on one bed. What fun we had! You always made me feel welcome and I will miss you.
May God be with you always.
Love always from your niece Brenda###imported-begin###Brenda Freyer###imported-end###*

“ Granddaddy, you were a very strong person. You were always a very kind of loving granddaddy! Go catch that big fish (you and Pop can fish together)and grandmother will be there soon to fry it for you. I'm so glad you have everlasting peace without any more pain or suffering! Thank you for all the fond childhood memories, I will hold in my heart forever. I love you very much!
