“ You are in my prayers, words at this time can't really reflect what the person has meant to so many. But, I will share what he meant to me. Al was a genuine father figure for so many of us young agents starting in the insurance business. I use to go into his office while at JL's and it was though you were the center of attention, he was always willing to listen to what was going on in your life. He would focus on you and after you had talked would kind of lean back in his chair and you would listen, the wisdom and total discernment was his words. I always felt better after those short conversations. I know there is an empty heart feeling you have, but I know, knowing he stepped from this earth with a body with pain, into the loving Arms of God with no pain and a new body, that is what I hold on to, it makes me want to be joyful, and gets me through each day. Al gave me a glass globe paper weight, I have it on the center of my desk, In side the inscription says. "COURAGE" be strong and of good courage, Joshua 1:9..I will always cherish this as I have with all the memories of "AL".

“ So grateful to have had the opportunity to meet Alvin for the first time last Fall, and to feel of his goodly spirit and vitality for life. He was most gracious when I had the opportunity to tell him that he'd raised a wonderful son and a fine man (in Larry), and that as a Father, he had succeeded in life's most important task--that of raising a fine posterity.

Larry and Linda, please know that you and your family are in our thoughts and prayers. May the Lord bless and comfort you during this difficult time.

With our deepest sympathy,

Jerry and Patti Stoddard & Family
