“ *I met Amanda when my grandson Caleb starting playing baseball with Kingston several years ago. The boys have played together on teams from Rec Ball, the Hustle to the Aces and now GTA Generals. I've known Amanda as the sweet girl who sat with me many times at ballgames. Sometimes, she would see me wandering around looking for a place to set my chair and she would motion me over, moving everyone around, so I could sit by her. She always made sure I had a place to sit. She was always smiling, always kind, and the best mother to Kingston. Being a mom to a travel baseball player is a dedication like no other, and she was always there for Kingston, and for the rest of the boys, cheering and calming, and giving a pat on the back. I will miss her kindness and infectious smile, which always welcomed me into the group. She was my baseball buddy. I pray for Kingston and for the family. She was loved and will be missed.*
