“ *Watching Amber grow from a newborn to the young lady she became was an adventure. Being my niece and seeing the baby steps she took and already has earned her Angel wings tells me God has better plans for her. Just remembering her as a lil girl tormenting her lil brother making him cry and till her last breath those two had a bond nobody could tear apart. Amber you will be truly missed and it still dosen't seem real. I loved you far or near,good or bad you were still in my heart.R.I.P. precious one*

“ *Amber was a STRONG woman her family meant the world to her and no matter what it took she always made things happen. She made any bad situation seem so good she always had a smile on her face and never let her hurt show through that smile. Amber, me and Jordan are going to miss you soooo much and we love you. Until we meet again love fly on peacefully, because those wings were custom made for an Angel like yourself.*

“ Amber was one of the most genuine people i have ever met in my life. She was fiercely loyal, smart, funny, and had such a kind heart. She loved her boys more than anything, and would do anything to make them happy. She was more than just a friend to me, she was like a sister. We shared many ups and downs throughout our journeys together. I could always count on her to make a bad day good again, just be being in her presence. My life will be forever changed because of her. I will miss her until the end of my days. I know the Lord has big plans for her, and i look forward to seeing her again in Heaven. I love you Amber!

“ I was almost 12 when Amber was born and I remember she was just the happiest baby girl with rosey red cheeks. I loved when Tonya would bring her over and I got to play with Amber.
