“ *Our precious Amy, we will miss you so much. Thank you for loving our son and grandbabies so much. I remember your wisdom in having David spend "Mommy Time" with me, and your loving and caring way with Pop and me. What a blessing you brought to us for 27 years. We didn't want you to leave us but are happy you are in heaven where you looked forward to being. Thank you for the wonderful memories and changing my light bulbs because you didn't want us to climb. I love you and will see you soon. Charlotte and Pop##imported-begin##Charlotte and Pop##imported-end##*

“ *My oldest and dearest friend I will miss you dearly! You made my life so wonderful...baking cookies from scratch, playing barbies, listening to The Monkey's, Donny Osmond, The Partirge Family, HS chorus, visiting me in Va, the long letters in college, being in my wedding, having children and watching them grow...I love you so much and am so sad but rejoicing that you are with our Lord and Saviour in Heaven NOW and I believe as you do that we go right away! I will see you there one day!##imported-begin##Sally Markwood Payne##imported-end##*
