“ Dear Family,

We hope you know that we are praying during this time for each of you. Hunter, keep your head up and that positive attitude I remember when you were a sixth grader. Know that we are praying for grace, wisdom, and peace for you all during this celebration of her life. She was a fine person from our conversations at school, and heaven has gained another of its saints.

Thanks,

“ Jason, Justin and Hunter, I am so very sorry for your loss. Amy was such a good and sweet person and an awesome Mom and Wife! She always talked about you guys - she loved you so much! What an inspiration to us all. Even in her pain she always thought of others and always willing to help out with anything that was needed even when she didn't feel good. All the kids loved her! She was so strong, such a fighter! I know she was loved by so many and will be missed. I pray that you will find peace. God bless you!##imported-begin##Michele Gray##imported-end##
