“ *I am so sad to hear of the news of Amy. I considered her a dear friend. I also had so much fun hanging out with her and her co-workers. I worked in the McDonald's system and Amy was always a bright spot in my day if I got to talk to her on the phone or visit with her at a McD event. My heart goes out to the family. Amy was very proud of them and always had a funny story to tell about the girls or her husband. Please accept my deepest sympathy. RIP Amy Williams*

“ *Please accept my deepest sympathy. Having gotten to know Amy as a fellow CPA, I had the highest regard for Amy's knowledge. But more importantly I appreciated that she was an honorable, family oriented, honest person. This was very evident as family would be part of every conversation when our paths would cross.*
