“ *Glyn had told me many stories of Andy. I only met Andy a few times. (I'm a second wife circa 2005) Glyn always has great stories of Andy and memories of his young years through high school. He will be missed, but his memory will live on. God bless your family as you have blessed ours.*

“ Hello Waters family. I don't have a Facebook account, but my mother told me about the news regarding Andy. I am so terribly sad to hear this. You all have my sincere condolences. May God Bless and keep ALL of you. I miss the days when we were neighbors...a special span of time that was a memorable part of my childhood. Whenever Andy and myself would stay the night over at one another's house, I remember we would stay up late, and joke around and laugh hysterically and incessantly. We were rather adept at waking the other members of the respective household. (Apologies for that!) Andy was very funny, and he always made me laugh. I also remember very well when Mark took us to see ZZ Top in Dallas in 1984...my first concert. Although it has been decades since we've seen each other, I have never forgotten the Waters family. You all are in my thoughts and prayers. Again, God Bless you all.

With love,

Mike Comess
