Angela, Tommy and the boys were friends of ours for a long time. Tommy was there for us when Wayne had his many health problems. Robbie had a good experience with the family while in boy scouts with Tommy as his leader. David and Eric are younger but Robbie consider them as friends. May you all find comfort in the many good memories of Angela. Love, Barbara

“ During our Memorial Day weekend together we reflected and talked about our favorite memories of Angela. We were each blessed by her love! She had a positive impact on each one of us individually and collectively. We are forever grateful for our family trips to the beach and lake houses. The memories, traditions and relationships are woven into the most important parts of each of our lives. We will miss her on this earth but are assured of making heavenly traditions. Thank you Lord for our dear friend. Love, Bobby, Sallie, Beth and Michael
