“ I offen ask myself why,why, do GOd give us someone to love and then take them away..I pray and pray God said to me he never promise we will be on this earth for ever because this body is not forever only when we join him. God spoke to my spirit he said I gave my only begotten son just so you may have life..so do think of your love one as gone they are just on vacation, so when you view that body for the last time just say see you later.##imported-begin##Cynthia Jeter##imported-end##

“ Brenda, I was so sorry to hear about the loss that your family has suffered. God has so many ways to comfort us during our sorrow, and I know that with your faith he will help you through the loss of your daughter. I last saw her at a school event last year and she was ever so proud of her children. May they have the comfort of knowing that their Mother loved them so much. Words cannot express to you, her father, the siblings and children how grieved all her friends will be. She will be greatly missed by her family at Primerica.##imported-begin##Betty Littleton##imported-end##
