“ Dear Ann, you have been a part of my life since I was 14 years old. I can still remember the first time I met you...Chris had a basketball game and you came to my house to pick me up and take me to his game, I remember being very scared to meet you by myself without Chris being there and wanting so badly to make a good first impression. Here it is 25 years of life, 22 years of marriage and 3 grand kids later and I still remember every moment (good and bad) that we have shared. I hope you know how much we all appreciate everything you have ever done for us and that you will always be thought of and remembered. Rest in peace knowing how loved you were by so many.##imported-begin##Stephanie Reagin##imported-end##
