“ *Like beautiful pink azaleas that adorned your yard each spring, another flower has bloomed in heaven. Like the true words spoken by your minister, your life was synonymous with wisdom. A Christian role model whose life reflected her beliefs, loving and selfless, well-educated, strong (sometimes stubborn), very funny, full of spunk and zest ...will be sorely missed. Our lives are blessed to have known you as a friend. May your soul rest in peace!##imported-begin##Bruce & Giselle Mays##imported-end##*

“ My sincerest sympathies on the passing of Ann.  
She was principal of Dodson Drive Elementary when I first came to Fulton County Schools in 1978 as Excecutive Director, Services for Exceptional Children. Dodson Drive ES housed one of the really fine programs for children with multiple disabilities. Ann's leadership, support, and love for the children made all the difference for them and the community.  
I am most appreciative of her contributions to our school system.###imported-begin##Harold Smith###imported-end##

“ I remember Ann teaching my first born son, Trevor, about doing two-step and three-step commands, when he was a toddler. As a new mom, that concept was new to me. She always encouraged using new words when speaking to little ones to help increase their vocabulary skills. Thanks Ann and Beth for your help in those early years with Trevor.  
My deepest sympathy to your family in this time of loss. You will be in my thoughts and prayers.##imported-begin##Karen Perdue##imported-end##

“ *Annabell was such a sweet, dear friend and I am going to miss her so much. We shared so many happy times over the years....also, many tears, too. She was such a beautiful "Southern Lady" with such a giving and loving heart! I just treasure our times together but know she is in a better place. I can see her smiling beautiful face, happy, singing, laughing and fully 'living' again! I love you, Annabell!*
