“ Dear Click family,

*We are so sorry to hear of the loss of Anne. We first met Anne in 1971 when she was working at Chapel View Nursing Home. She was young, pretty and had a energy filled laugh that I can still remember. We had a lot of fun doing all sorts of things. Anne graciously volunteered to be my model for a University of Minnesota Photography Class. I captured her beauty and charm in a series of photos that stil hang on my walls. One photo was of her striking face printed onto a mirror. While space as separated us she has always been in our thoughts and we looked forward to her Christmas cards. Anne was also in our wedding and we are thankful for having her friendship these many years. I am so sorry that fate has cheated her family and us of enjoying her love. We had hoped that with our moving from Minnesota to South Carolina that we would soon be able to see Anne. I so much would have loved to talk with her about the wonderful times we shared back in the 1970s. Our thoughts are with Bill and his lovely children.*
