“ We only knew Anne for a short time however wish we could have know her longer. She was an easy person to talk to and loved her sense of humor. It was obvious her love for her family. We know she will be missed. Our thoughts and prayers are with all her family during this sad time. May God comfort you the days ahead.

“ When you go down the list of people in your life that you most admired, Ms. Anne was always near the top. She had a quality that most of us don't have and wish we did..the ability to call it like it is. Don't sugar coat it. Don't say we like it when we don't. She was always herself and never tried to be anyone else. Not sure how sainthood works, but I'm sure she will be nominated for being married to Jimmy for all of these years. She was a great person and I'm a better person for having the opportunity to know her. Much love to the Conner family. Bill and Donna Hallman

“ We met Anne though my sister, Lee Ann, becoming a member of the Conner family. She loved and accepted our family as a part of her own and treated our parents with a tender heart. I admired her strength. In a world of fake news and fake people, Anne was the "real thing" and we will miss her.

“ I remember working with Anne so many years ago at Alcovy Devertion Center. She was always a sweet lady. She and I were the only 2 women working down inside the center.

“ Anne was s sweet cousin. She told you what you needed to hear, not what you wanted to hear. She was an individual, which was refreshing in today’s world. Even during her cancer treatments, she maintained her sense of humor. She dearly loved her Family and was so proud of each one. She and Jimmy had an interesting and giving life. Anne will be missed by everyone.
