“ My husband, Tom, and I knew Anne and Ted from Snellville United Methodist Church and were friends with them for many years. After Anne moved into Benton House, I would stop by every Saturday to visit and read to her. If I couldn't make it, Tom would go. We will miss those visits and our sweet friend. With love and prayers, Mary and Tom Neumann

“ We met Anne in our Sunday School Class at Snellville Methodist Church about 30 years ago. She had a strong faith and loved to do for others. She was very active in the community. One of her favorite quotes by John Wesley was: Do all the good you can, By all the means you can, In all the ways you can, At all the times you can, To all the people you can, As long as ever you can. Praying for Anne's family. With Love, Mike and Terry Wright

“ Anne would always brighten our day when she came to the office. She was thoughtful to remember birthdays and holidays throughout the year. We will miss her greatly.

“ Anne will be missed - we visited for several years and our friendship brought joy to both of us. A special memory is the little pumpkin I took her with a painted smiling face that she dearly loved and ask if she could call it Pat . She called me several times to tell me every time she looked at it she smiled and thought of me. I rejoice she is home with her Savior and reunited with her loved ones .
