“ Anne I loved the almost 18 years that we shared, all the love, good times and the support you showed me. I will always remember how the grandkids loved seeing grandma and the joy they had playing with you and you with them. I enjoyed being able to help you thru all the months of medical support and I would have been there forever for you, I know you know that. The house will not be the same without you, missing your smile and your love that was present around you always. Your children have the same love that you portraited and estowed upon them. I will miss you dearly. Love Kathie##imported-begin##Kathie Keiner##imported-end##

“ Anne, We are going to miss you but we will rejoice in the fact that you are now in a place of everlasting life and will be watching over us from your place seated next to the Lord Our Savior. You have always been a great sister and a good mother and Grandmother. When your grandchildren entered a room you could see the love in their eyes and the smile on your face said it all. Holding your hand as we prayed together as family and friends was an honor that Sue and I will cherish the rest of our lives.
This one is for you Shorty!!##imported-begin##Roy & Sue Turner##imported-end##
