“ Dear Ralph: For the past 11 years, our "gang" has hooked up with you and Annelies for a reunion to remember. We laughed, we cried, we played games, we sang, we danced and we dined. It will never be the same without Annelies. Thanks for the memories. This picture of Annelies is by far my favorite. It captures her true beauty. Keeping you in our thoughts and prayers.

“ Dear Annelies, and Ralph, so many years our friends. We first met at the Military Chapel, Fort McPherson, GA, when we were transferred from Germany to Fort Mac 20 years ago. Ralph and Annelies befriended us, offered assistance and local information, and lent many a hand with our search for a new home. Annelies and Ralph, and we had a connection from our first meeting. We had a lot in common, most important, solid and happy married /family life. 20 years of friendship, so many happy moments, visits and shared meals. Dear Ralph, you and Annelies are forever in our hearts. We share your grief and pray for the easing of your pain and sorrow. We love you and will keep you and our Annelies in our daily prayers.

“ I will always remember Annelies as a spunky, feisty, amazing individual. She had an infectious smile/giggle and the warmest eyes I’ve ever seen. I was lucky enough to be her tennis partner at least twice and I cherish that experience. She and Ralph are two very special people, so loving and so accepting of me and my family. Annelies, you were loved, you were one of a kind and you will be missed by many!!! I believe you lived a life that many would envy and you’ve left a legacy of stories that will continue to be shared!! You are one very special lady!!!
